

# SURELOCK™ AIR CONNECTORS

## NEW AND IMPROVED DESIGN!

SURELOCK™ AIR CONNECTORS ARE DURABLE & RELIABLE

SURE LOCK™ AIR CONNECTORS LOCK INTO PLACE TO PREVENT ACCIDENTAL DISCONNECT DURING USE

### ▶ SURE-LOCK™ INFLATOR CONNECTOR

Easy to use barrel connector locks into place to prevent accidental disconnect during use and is not rendered ineffective by dust or hair

### ▶ PRESSURE ACTIVATED AIR LOCK INTERNAL SEAL

This unique seal prevents back flow of air allowing the bed to be moved without the need to deflate the air chambers

### ▶ STEEL REINFORCED, KINK-FREE AIR DEPLOYMENT HOSE

With the addition of the imbedded surgical steel coil, it provides a more responsive inflation process. The kink free design improves inflator life by reducing strain on the motor
